2904 Palmetto Circle Rd
Apartment E17
Louisville, KY, 40299

Summary

I thrive in technical, challenging environments, where I am expected to learn and integrate quickly. I'm a detail-oriented, positive team member, and I always want to promote mental and physical wellness in myself, my environment, and my peers.

Skills

Strong english, math, computer, and technical skills. Focused under pressure, quick to learn, positive, balanced, forward attitude.

Programming/Computer Skills

Very comfortable with HTML, CSS, JavaScript. Can program websites in Node.js and Ruby on Rails. Experienced in Excel and AutoCAD.
